ZIMS WITH MEDICAL WORKSHOP

£70*

MON 29 SEP 2025
13:00-17:00
@ NOAH'S ARK ZOO FARM

Get half a day of hands on workshop on ZIMS with Medical aimed at registrars, animal keepers and curators.

See how a modern zoo veterinary team has implemented ZIMS with Medical, the full capabilities of the software as well as using it for yourself via the ZIMS learning environment. There will be sessions on samples, tests and results, prescriptions, pharmacy inventory and other elements of the system.
