### **Steps to reopening (England)**

*Please note this is a working document.*

This is a summary of the [Roadmap steps](#) with additional guidance from DCMS and Defra. The Government will announce one week in advance whether restrictions will be eased as planned.

All zoos, aquariums and safari parks are expected to follow [COVID-19 secure guidelines](#) to protect visitors and staff. Operators must take reasonable steps to ensure that bookings and admissions follow the social contact rules, and that groups do not mix within the premises. The Government will continue to enforce restrictions and require businesses to demonstrate robust strategies for managing the risk of transmission and to ensure social distancing rules are followed. Where businesses do not follow the rules, the appropriate enforcement action will be taken.
